

Trace the shapes

- Trace around the different shapes that you can see. There are at least 3 different shapes in this photo.
- Which dark globule is biggest? Circle this with a coloured pencil or pen.

Match the sizes

- For 2 globules, draw a line from the globule to the ball closest in size.

Resourced by

Comparing

Compare the globules.

- Which is biggest?
- Which is smallest?
- Which is longest?
- Which is thinnest?
