

Name of school	
Date of incursion/event	

As parent/guardian of the student named below, I give permission for Australian Earth Science Education (AusEarthEd), its supporters and affiliates to publish video or photographic images of my child and/or samples of my child's work for the purposes of promoting school engagement, events and student achievements. This may be in a range of formats, hardcopy and digital, and published to a range of media including but not limited to AusEarthEd's newsletters, email, AusEarthEd's internet sites, including social media sites, and local newspapers.

Name of student (minor)	
Signature	
Name of parent/guardian	
Date	

I understand that:

- the internet is accessible by any person worldwide;
- my child's image and/or work can be accessed, copied and used by any other person using the internet;
- once my child's image and/or work has been published on the internet AusEarthEd, their supporters and affiliates have no control over its subsequent use and disclosure; and
- I can withdraw this permission at any time by contacting AusEarthEd in writing; however, this will not affect materials that have already been published and disseminated.

*AusEarthEd is a not-for-profit organisation that delivers classroom incursions and provides educators with earth science teaching resources and training, all free of charge thanks to our generous supporters. More information can be found on our website: <https://ausearthed.com.au/>
If you have any queries, please do not hesitate to contact - ceo@ausearthed.com.au*
